 - Communication of science through art

What is Collections From
The Field?

Our Team

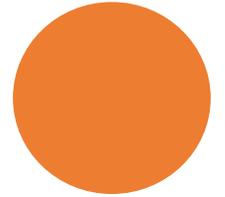

- Stephanie Hanson
- Tiffany Lipsett, Ph.D.
- Preservation Society for Spring Creek Forest
- City of Garland

Mission

Our mission is to foster deep connection to the land, build community through creativity, and record change.

[A first step towards engaging people with environmental issues.]

How does this project work?

1.

**Explore the
Preserve.**

2.

Create art.

3.

**Submit art
via email or
social media
posting.**

4.

**We share on
website
gallery and
social media.**

Engagement

- Website
 - collectionsfromthefield.com
 - Anchor for the project
- Social Media
 - Weekly engagement
 - Did you know?
 - Inspirational quote
 - Prompts
 - Featured submission

Current Submissions

Artwork submitted to City of Garland for signage

Create art in nature with us!

This project offers a virtual gallery space to the community to share art of various mediums created at or inspired by the Spring Creek Forest Preserve.

- 1. Get inspired!** Create art using any medium (painting, drawing, photography, land art, creative writing, etc.) that captures the beauty, ecology, or history of the Preserve (see examples below).
- 2. Tag us!** Tag photos of your art on social media with the hashtag #collectionsfromthefield or submit through our website (see below).
